EVENT OVERVIEW

Note from the Meet Directors

Wade Johnson and Jennifer Millican are the Meet Directors for the 2021 Ogre Fall Classic. We wanted this event to be something fun that lifters could look forward to every year, and event that will build over time. We are so grateful for your support for the inaugural event and look forward to partnering together in the future for continued growth each year.

About The Event

Our mission for this meet is to support local athletes and local businesses by bringing a USA Powerlifting presence to Mt. Juliet and to continue that presence by hosting annual events each year. Again, we would like this to be the first of a few annual events in our community and greatly appreciate your support.
